

Amy Cheng

Until recently, Amy Cheng was the China Development Lead at Impossible Foods. Prior to Impossible Foods, Amy launched and led Global Service Business Planning at Tesla. She was also the business manager for Tiny Prints (Shutterfly). After Wharton/Lauder, Amy spent over 3 years in China helping to build consumer-related businesses. Prior to business school, Amy worked in consulting, specializing in planning and operations. Currently, Amy is on Google's Cloud Platform Strategy and Operations team. Amy completed her undergraduate studies at UC Berkeley with degrees in Business Administration and Chinese.
