

Nicholas Reise

Nick was the CEO/Founder of Xerpa, a software company that pioneered Earned Wage Access in Brazil. Xerpa was acquired by Betterfly in 2021, after raising venture capital from leading Latam and global fintech investors. Prior to Xerpa, Nick was a Principal at Brazilian venture capital investor Redpoint e.ventures. In a previous life, he structured leveraged finance transactions for Latin American companies at Citigroup. Nick holds an MBA from Wharton and an MA in International Studies from the Lauder Institute at Penn. He did his undergraduate studies at Georgetown, focusing on international political economy and African studies.
