

## **Keith Kohler**

Keith Kohler is the Founder of The K2 Group LLC, a finance consultancy. Keith has worked with and impacted hundreds of companies with financing and financing education. Over the past few years, he has originated and closed over \$100 million in financing, with a particular focus on the natural products and food and beverage industries. Currently he is the CFO of Sempera Organics, a California-based grower of mushroom powders (and soon extracts and food). He supports founders in multiple other areas via several other roles, including as a mentor of the Nutrition Capital Network, as a Year 5 Mastermind Advisor for Babson College's Women's Innovating Now Growth Lab, and as a Wharton Venture Lab Expert in Residence and Mentor.

Under his newly created Financing Man brand, Keith recently launched a new retreat and mastermind-based business to help founders get comfortable with and master the finance function in their business. The next retreat is scheduled for May 2022. Contact Keith to learn more.
