

Stephen Snyder

As Managing Director of Operations & Partnerships at JetBlue Ventures, Stephen's role is to build an ecosystem of partners and deployment opportunities for the many technologies of JBV's portfolio companies. He focuses on advancing innovation thinking and compelling value propositions throughout JetBlue and its partners. Stephen joined JBV from JetBlue where he spent time on the airline's Strategic Planning team. He is a Lauder alum from the class of 2017 and holds a BA from the University of Michigan.
